As the owner or authorized agent for the pet(s) registered on this application form, I hereby agree to the following terms of service:

- Accuracy of Information Provided:** I understand and agree that in admitting my dog, Woofur is relying upon my representation and warranty that my dog is in good health and it has not harmed or shown aggressive or threatening behaviour towards any person or any other dogs. By signing this form, I certify that all information provided and disclosed by me in this application form is complete and accurate.
- Voluntary Participation at Owner's Risk:** I understand that Woofur is a cage-free facility and I accept all risks involved and agree that Woofur is not liable for any injuries or illnesses to me or my dog, during my dog's attendance. I further understand that due to the way that dogs interact with one another, cuts and scratches can occur.
- Health & Safety:**
 - I understand that Woofur requires each pet to comply with [Woofur's Health & Vaccination Policy](#), which can be amended from time-to-time, prior to rendering services on those pets. I must provide Woofur with my pet(s) current health records when requested. I understand that even if my pet has been inoculated with vaccines, I assume all risk associated with my pet's health.
 - I understand that if any injuries occur to my pet, which are the fault of my pet, I will be responsible for its medical expenses.
 - I authorize Woofur staff to seek immediate veterinary care for my dog, if deemed necessary by Woofur staff.
- Indemnity Clause:** I agree to hold harmless Woofur, its agents, employees, and trainers, from and against any losses, costs, damages, and expenses (including lawyer fees) arising out of or resulting from any happenings (runaways, sickness, injuries, fire, theft, etc.), claims, suits, by or on behalf of any person, for any injury to me, my pet(s), including death arising out of my participation in said activity.
- Revocation of Membership:** Although Woofur carefully screens all applicants, the facility is occasionally discovered not to be an appropriate environment for every dog. Woofur reserves the right to refuse service and permanently evict any dog at any time and for any reason without explanation.
- Fees & Expenses:** As the owner/agent/guardian, I guarantee that I will be personally liable for all expenses resulting from daycare, boarding, veterinarian fees, property damage fees or any other expenses incurred while my dog is visiting or staying at Woofur. I understand that my dog, or other dogs, may damage my dog's own equipment during play or their stay at Woofur and I fully accept this risk and understand that I will not be compensated for any damages to my own property.
I understand that if my pet is not picked up on time, a late pick-up fee of \$15 per 30 minutes may be assessed and charged (up to a maximum of an overnight boarding fee).
- Increased Health Risks for Aged or Ill Pets:** I understand that when older pets or those suffering from chronic illness are groomed or placed into a facility with other animals, they could be susceptible to an increased amount of stress. The increased stress can cause latent physical conditions (such as, but not limited to, heart, liver and kidney disorders) to become active, which could result in illness or, in extreme cases, death. As the owner or agent for your pet(s), you agree not to hold Woofur, or its owners and operators, responsible for the illness or death of your pet(s) or for any expenses incurred because of the illness or death of your pet(s).
